

# Dealer Access Control

**Don't Gamble with Your Assets!**  
**Protect Your Assets & know where your investments are 24/7**

User-friendly app allows for easy asset tracking & recovery

## Advanced Asset Tracking & Protection Technology

### Stolen Asset Recovery

Provides fast and simple stolen vehicle recovery. Stop locations, time, and dates.

### Mobile App

Manage multiple assets in one app. Get notifications by phone, text, or app.

### Location Data

Instant alerts and data. Get movement alerts when you asset should be parked, or leave your preset drive zones.

### Movement Alerts

Receive Key Alerts (Geofence, speeding, low battery & more) anytime... anywhere...

### 24/7 Asset Tracking

Live asset data always available. Get real-time location, location history, and 24/7 vehicle security.

### Insurance Discounts

Save on your insurance Premiums, and stop writing off lost or stolen assets; keep asset value high.
